FAM EXHIBITIONS

- OKLA HOMMA in the Tribal Nations Gallery (Lower Level)
- WINIKO: Life of an Object, Selections from the Smithsonian's National Museum of the American Indian in the Mezzanine Gallery

TRIBAL CONSULTATIONS

The all-Native FAM curatorial team carefully developed content and selected objects in both exhibitions after conducting consultations with tribal leaders and consultants from all 39 tribal nations. FAM looks forward to furthering a reciprocal relationship with all 39 Tribal Nations.

EXHIBITION SELECTIONS

FAM curatorial staff collaborated with Pawnee tribal leaders to select these representative objects and interpretive materials.
