

First Americans Museum (FAM) located in Oklahoma City, OK has been recognized nationally with numerous awards as a “Must See” museum.

Now, it’s time to complete the FAMily Discovery Center. Your gift will ensure future generations have a fun-filled, safe learning space with activities that embrace our shared values of **Respect, Resilience, Stewardship and Community.**

This pop-up book inspired exhibit is fully designed and ready to build. This illustrated and immersive world is full of surprises for everyone ages three to 103! It includes over 30 hands-on activities and hundreds of native plants, animals, birds, insects, reptiles and fish.
