 through shared values

FAMILY Discovery Center

Dear Human Friend,

First Americans Museum (FAM) located in Oklahoma City, OK has welcomed over 300,000 visitors from all 50 states and 38 countries. FAM has been recognized nationally, regionally and locally with numerous awards as a “Must See” museum.

Now, it’s time to complete our FAMily Discovery Center. My animal friends help everyone understand how **“We Are All Connected”**. Your gift will ensure future generations have a fun-filled, safe learning space with activities that embrace our shared values of **Respect, Resilience, Stewardship and Community**. Become a founding member of the **Forest Friends Club**, (donors \$1,000 and above will be recognized on website and sponsor wall).

This pop-up book inspired exhibit is fully illustrated and immersive with surprises for everyone ages three to 103! Day turns into night and all will experience the four seasons. You’ll love the over 30 hands-on activities, and on the second floor, you can climb out of Red Tail Hawks nest along the Tree Top Trail. When completed you’ll discover hundreds of native plants, animals, birds, insects, reptiles and fish. Teens and tweens will love searching for all of the hidden clues to complete the scavenger hunt.

In 2025, OKANA Resort & Indoor Waterpark will open adjacent to First Americans Museum. This will bring even more families to visit FAM. My animal friends need to be ready to greet all these new visitors. My exhibit world is fully designed and ready to fabricate.

Let’s build it together.

Yakoke or Thank you,
Grandma Turtle
